FEATURED VENTURE & SYSTEMS DEVELOPMENT

Founder & Strategic Operator | Consultant Studio (www.consultant-studio.app)

Feb 2026 – Present

- **Executive Operations & Strategy Platform:** Architected and deployed a real-time executive operations suite delivering 13-week cash flow forecasting, P&L margin triage, and automated 1-click boardroom reporting in sub-3s execution cycles.
- **Zero-Database Client-Side Privacy Stack:** Engineered local client ingestion for .docx, .pdf, and .xlsx files with 100% client-side encryption and zero cloud database dependency, embedding interactive What-If sensitivity recalculation and instant C-suite exports.
- **Turnaround Diagnostics & Model Validation:** Built diagnostic workflows to benchmark unit physics, isolate variable vs. fixed overhead leaks, and translate operational data into institutional lender covenant bridge memos.

PROFESSIONAL EXPERIENCE & OPERATIONAL IMPACT

Lead Marketing Strategist | Ma's Diner — Tallahassee, FL

Apr 2025 – Present

- **Customer Growth & Margin Defense:** Engineered targeted neighborhood acquisition campaigns (Analog Connection / Community Huddle), driving a verified 25% lift in weekday foot traffic over an 8-week launch window while defending 100% full-price gross margins by eliminating coupon discounting.
- **Trade-Area Demographics & Spatial Capture:** Audited trade-area competitor pricing and commuter walk-shed geometry, deploying print collateral across local high-density touchpoints to establish a 5% repeat resident customer baseline without margin erosion.
- **Kitchen Flow & Service Efficiency Alignment:** Restructured kitchen preparation and order handoff sequencing with ownership, collapsing table ticket turnaround from 8 to 5 minutes to unlock +3 covers/hour during peak rush windows and align customer surges directly with kitchen capacity.

Operations & Dispatch Lead | Independent Micro-Logistics — Tallahassee, FL

May 2025 – Present

- **High-Volume Peak SLA Execution:** Executed 800+ time-critical fulfillment deliveries across high-volatility peak demand periods, sustaining a 99% on-time completion rate and a customer satisfaction rating above 90%.
- **Route Efficiency & Yield Optimization:** Analyzed multi-point route density, transit bottlenecks, and fuel costs to improve hourly delivery completion velocity and strengthen net route contribution margins.

Frontline Operations & Dispatch Coordinator | Walk-On's Sports Bistreaux — Tallahassee, FL

Jun 2021 – Feb 2025

- **High-Capacity Peak Flow Management:** Orchestrated guest seating logistics and directed 10–60 concurrent to-go fulfillment orders during high-capacity game-day volume surges with a zero-defect order error rate.
- **Team Training & Process Standardization:** Trained and mentored 4 frontline team members, standardizing station setup workflows and cutting new-hire onboarding cycle time by 20%.
