Tallahassee, FL • (850) 459-9148 • jacksonlanden3986@gmail.com • linkedin.com/in/landenjackson • www.consultant-studio.app

EXECUTIVE PROFILE

Systems-driven operator and commercial strategist who engineers margin defense and accelerates throughput via empirical unit-economic models and frontline execution. Proven track record eliminating labor bottlenecks, defending 100% full-price margins without discounting, and architecting zero-overhead client-side operational software.

CORE COMPETENCIES

- **Operations & Service:** Kitchen & floor workflow optimization, shift coordination, labor & ticket time reduction, inventory & COGS control
- **Revenue & Marketing:** Neighborhood growth strategy, full-price margin protection, promotional ROI, local customer acquisition
- **Systems & Analytics:** Financial modeling, KPI dashboards, process automation, Microsoft Excel (Certified), POS data review

VENTURE & SYSTEMS DEVELOPMENT

Founder & Product Builder

2026 – Present

Consultant Studio — Tallahassee, FL

- Engineered full-stack browser-based financial diagnostic tools for SMBs, automating 13-week cash flow projections, variance tracking, and P&L modeling with zero cloud latency and zero server-side database storage.
- Engineered client-side file parsing pipelines processing complex spreadsheets and financial statements locally, eliminating data privacy compliance exposure and cutting recurring infrastructure compute to \$0.00/month.
- Built automated 1-click deliverable engines generating structured MSO-compliant spreadsheets (.xlsx), executive memos (.docx), and investor presentation decks (.pptx) entirely in browser memory.

PROFESSIONAL EXPERIENCE

Marketing & Growth Specialist

Apr 2025 – Present

Ma's Diner — Tallahassee, FL

- Engineered a shift-level throughput protocol that raised average check by \$2,200 per service (12% lift) by re-sequencing expo handoffs and reducing ticket times by 90 seconds.
- Reduced total restaurant food cost by \$35,000 annually (4.2% of COGS) through real-time waste tracking and portion recalibration across 3 peak dayparts.
- Planned and executed an 8-week local acquisition strategy driving a 25% increase in weekday foot traffic while defending 100% full-price margins with zero promotional discounting.
- Audited local competitor pricing structures and dining density patterns, placing targeted localized print outreach to establish a 5% repeat customer baseline from zero.

Operations & Shift Coordinator

Jun 2021 – Feb 2025

Walk-On's Sports Bistreaux — Tallahassee, FL

- Standardized line cook cross-training cadence, cutting new-hire ramp time from 14 shifts to 8 while maintaining 98% order accuracy during \$8K+ weekends.
- Recovered \$18,000 in missed revenue by redesigning the closing checklist to eliminate 22 minutes of idle labor per shift, reallocating to prep for next-day lunch rush.
- Managed floor seating logistics and directed 10–60 concurrent to-go and delivery orders during high-capacity game days with zero order accuracy defects.
- Trained and mentored 15+ frontline associates across stations, establishing standard opening/closing checklists that cut shift handover communication errors by 50%.

EDUCATION & CREDENTIALS

Bachelor of Science in Marketing

May 2024 – Jul 2026

Florida State University — Tallahassee, FL

- **Academic Research:** Co-authored empirical consumer trust research study analyzing institutional decision-making dynamics (p < .001).
- **Honors & Certifications:** Eagle Scout (BSA) • Google AI Professional Certificate • Advanced Microsoft Excel Certified • Associate of Arts (Tallahassee State College, Dean's List 3x)
